

Fact Sheet 2

Your Guide to Getting Involved

What will be expected of me as a Member?

Anyone with an interest in health and social care in the Borough of Richmond upon Thames can get involved in the LINK in a way that suits them. There are lots of ways in which members can contribute to the work of the LINK.

Some options are listed below.

What support is available to members?

The LINK is supported in its work by the LINK Support Team who will:

- send all LINK members regular information about LINK activities and opportunities for involvement.
- invite members to participate in surveys, meetings, working groups etc. as appropriate.
- update the LINK website on a regular basis with information on any work undertaken and information of interest to LINK members.
- organise public meetings as directed by the Steering Committee
